

Masjid Care & Maintenance Program

by Eripure Cleaning Services

“Keeping the House of Allah clean, welcoming, and always ready for prayer.”

Program Purpose

Every masjid deserves to remain spotless, peaceful, and welcoming — without the stress of coordinating volunteers or dealing with inconsistent cleaning. Eripure’s Masjid Care & Maintenance Program delivers a faith-based, professional cleaning system so your community can focus on worship while we preserve the beauty, purity, and hygiene of Allah’s house. For a limited time, new partners can start with a **complimentary 2-week trial cleaning** to experience our dedication at no cost. With Eripure handling the upkeep, Imams, volunteers, and congregation members can rest easy, confident that every visit to the masjid will be comfortable and spiritually uplifting.

Our Core Values – The Eripure Promise

Our faith guides every step of our service. We uphold five core principles in everything we do, honoring the sacredness of the masjid and serving your community with integrity:

Principle	Meaning & Practice
Respect & Purity	Faith-based cleaning protocols honoring masjid etiquette: prayer areas receive special <i>adab</i> , and each service begins with sincere intention (<i>niyyah</i>) to preserve purity.
Consistency & Quality	Routine, checklist-driven cleaning ensures the same professional standard at every visit — reliable, detail-oriented, and on-time.
Community Connection	Our local Muslim team understands masjid culture and values, creating trust, comfort, and open communication with your community.
Affordability & Transparency	Customized pricing built for nonprofit budgets — no hidden fees, no surprises. We tailor each plan to your masjid’s needs and resources.
Eco-Friendly Solutions	Halal-safe, fragrance-free cleaning products that protect your congregation and the environment, reflecting our care for Allah’s creation.

Flexible Service Plans

Choose the frequency that best fits your masjid's schedule and traffic:

- **Essential Plan:** Small masjids or low-traffic spaces – *1 visit per week* (4 per month).
- **Standard Plan:** Medium masjids or Friday-heavy schedules – *2–3 visits per week*.
- **Comprehensive Plan:** Large masjids or daily programs – *3–5 visits per week*.

✓ **Custom Pricing:** Every masjid receives a personalized proposal based on its size, layout, and chosen service frequency. After a brief consultation and site visit, we'll provide a clear, no-obligation quote tailored to your budget and needs.

What's the Next Step: Your Path to Partnership

Our commitment is to provide a customized solution, not a generic quote. We follow a clear, risk-free process to ensure our service perfectly aligns with the sacred schedule and unique needs of your Masjid:

1. **Brief Walk-Through Visit:** We would be honored to schedule a brief, 15-to-30-minute visit at your convenience. This allows us to observe the facility's size, identify high-traffic areas (like the Wudu stations before Jumu'ah), and gather all specific information needed.
2. **Custom Plan Creation:** Based on our walk-through, Eripure will create a **Detailed, Personalized Proposal** that outlines the exact cleaning schedule, specified tasks, and the **Total Monthly Investment** required for your Masjid.
3. **Review and Final Approval:** We submit this custom plan and price to your esteemed Board for review. We will iterate and adjust the proposal until we have successfully met your **exact needs, schedule, and budget goals**.
4. **Start the Complimentary Trial:** Once the final customized plan and investment are fully approved by the Board, we will happily initiate your **complimentary 2-week trial cleaning**.

This approach ensures you are completely satisfied with the scope, schedule, and investment **before** any commitment or service begins.

Complimentary 2-Week Trial

Our confidence in our specialized service allows us to offer this trial **after** your Board has approved the Customized Plan and Total Monthly Investment.

- **Zero Obligation:** This trial is 100% complimentary and **risk-free**. If, at any point during the two weeks, you are not completely satisfied with our quality or service, you can **cancel the trial immediately with no charges or commitment**.
- **Proof of Concept:** This is your opportunity to see our professionalism, faith-based *adab*, and quality standards in action before signing any long-term agreement. Let our work speak for itself.
- **Flexible Term:** Even after graduating to a full agreement, our contract remains flexible, requiring only a **30-day written notice** for cancellation. Our goal is for your complete satisfaction to be the only thing keeping us in your Masjid.
